Where do I find the dates and times of my in-class term tests?

The information below applies to quizzes, tests, and “exams” held in-class outside of formal exam periods.

- The dates and times of quizzes and tests are generally published in the course syllabus and/or on Quercus.
- If you are unsure about the date, time or duration of a quiz or test, it is **your responsibility** to contact the course instructor, course coordinator or TA to obtain this information well in advance of the registration deadline.

Where do I find the dates and times of my final exams?

The information below applies to tests and exams held during formal final exam periods.

It is **your responsibility** to check the dates and times of your tests and exams held during the formal final exam periods in June and August. Course instructors are not required to announce the dates and times of tests and exams held during formal exam periods.

Consult your faculty’s website each term well in advance of the exam period registration deadline.
