WHAT TO EXPECT ON THE DAY OF YOUR TEST OR EXAM

- You will receive an e-mail confirming the date, time, and location of your sitting of the test/exam one business day prior to the date during the term and two business days prior to the date during an exam period.
- Please review this e-mail carefully, as your sitting of the test/exam may be scheduled at a different time than your class' sitting of the test/exam.
- On the day of the test/exam, please check-in with the invigilator at the assigned test/exam location. Remember to bring your TCard!
- Please keep in mind that the Test/Exam Centre is a scent-free and nut-free space.
- You are encouraged to arrive 15 minutes early, and by no later than the scheduled test/exam time in your e-mail notification, to ensure that you receive all of your authorized writing time.
- Before the test/exam, the invigilator will review your accommodations and the test/exam details with you, including the test/exam duration and authorized aids.
- The invigilator will show you to your assigned desk. Just as if you were writing the test/exam in the classroom, you should start writing only when told that your time has begun and you should stop writing when told that your time is up.
- During the test/exam, you are encouraged to bring any questions or concerns that you may have to the attention of the invigilator.
- After the test/exam, the invigilator will collect all of your test/exam materials. We will take care of forwarding your test/exam materials for marking.
- If you finish your test/exam before your class' test/exam writing time begins, you will be sequestered and supervised inside the Test/Exam Centre until 15 minutes after your class' test start time or 45 minutes after your class' exam start time.
